1. **Why do(es) your nominee(s) merit the Yidan Prize? Please highlight the impact of your nominee(s) work (max. 500 words)** *

[text editor toolbar]

Words: 0/500

2. **Please describe the achievement of the nominee(s) on the following criteria:** *

a. Resolving needs *
- What is the severity and scale of the problem being addressed – now and in the future?
- How many people are impacted by it?

(max. 1000 words)

[text editor toolbar]

Words: 0/1000

b. Innovation *
- Is the idea or project groundbreaking?
- Is it disruptive?
- Does it display creativity?
- Does this project and nominee(s) share new, creative approaches to education?
- Could this approach cultivate skills, knowledge and self-awareness that will shape society for the better?

(max. 1000 words)

[text editor toolbar]

Words: 0/1000

c. Transformative *
- What are the project's goals for systemic change? What systemic impacts have been achieved so far – quantitively and qualitatively?
- How does this idea or project involve and influence a wider community or peers? Is it likely to inspire collaborative action?
- How will the idea or project change the current system – either totally or incrementally? To what extent is it creating a new, better system?

(max. 1000 words)

[text editor toolbar]

Words: 0/1000

d. Future-oriented *
- Does this idea or project address one or more critical issues in education, with results that have (or look likely to have) a wide global impact?
- Does this idea or project have the potential to shape the future of education, address new challenges and spread inclusive and fair education for all?
- To what extent does the idea or project anticipate problems and opportunities in education?
- To what extent is the idea or project creating an education system that addresses new global challenges? Will it make a positive contribution to the future?

(max. 1000 words)

[text editor toolbar]

Words: 0/1000

e. Sustainable *
- To what extent has this idea or project grown and scaled so far - in its own country and across borders? And to what extent could it be scaled and replicated further?
- Does the idea or project have a governance model to make sure there's transparency and accountability ?
- Is there a business model? Has that model ensured financial stability so far?
- Are there any legal or regulatory threats to the organization or project?

(max. 1000 words)

[text editor toolbar]

Words: 0/1000

3. **Upload 2-minute video** *

A two minute video from the nominee(s) on how he/she/they would use the project funding of HK$15 million (around US$1.9 million) if nominee(s) is/are selected as the laureates. The submitted video will be viewed by the judging committee for the sole purpose of judging only. For more information on what judges are looking for in the video, please visit the links below:
- Video guidelines
- More about project funding

Recommended video formats are .MP4 / .MOV / .AVI / .M4V & dimensions 1920 x 1080 (1080p), max in 2 minutes and 84MB.

Part 4 : Supporting Documents
* Required

1. Supporters' Recommendations

i. A nomination requires at least two supporter's recommendations. (who should be a supporter?) For self-nomination (what is self-nomination?), a minimum of three recommendations are required. Maximum five recommendations are allowed.
ii. Nominator and nominee(s) cannot be supporter.
iii. Please upload a scanned copy of the recommendation letter signed by the supporter with official letterhead OR copy and paste the letter in the text box below.
iv. Please upload the business card (what is a business card?) of each supporter which will be used to verify the supporter's professional identity. If there are difficulties, please visit the FAQ for alternative options.
v. The Yidan Prize Foundation will contact the supporters to verify their recommendations when necessary. Please make sure their contact information listed below are correct and keep them informed in the process.
